WEEKLY REPUBLICAN—1867.  
DAILY PUBLIC LEDGER—1868.

UNFORTUNATE.  
I bought a mine,  
The mine is mine no more;  
I struck a sharp,  
And he, not I, struck one;  
I bought some stock,  
Dame Fortune tried to woo;  
The market changed;  
It broke—and I broke, too;  
I loved a girl,  
So dear to me, I vow;  
I wedded her,  
And she is dearer now;  
Some men have luck;  
Of me that can't be said;  
It luck struck me;  
I'm sure 'twould strike me dead  
—Puck.

## DECLARED SANE

But William Had Best Not Prowl Around Too Much

William Ward, the colored Philippe soldier, vodooist and religious crank, was tried yesterday as to his sanity and was declared sane, and for the second time given his liberty.

If Willie is wise he will divest himself of his variegated and grotesque gown, drop his peculiar and idiotic mannerisms and act in a common sense way.

If he persists in meandering over the country, appearing at farm houses at unseemly hours, bearing aloft a corn knife in one hand and a bible in the other, there is no telling how soon some affrighted person may perforate his anatomy with buckshot.

## "CIRCUS IN TOWN!"

**Editor John Altmeyer's First Impression When He Hit Broadway**

As THE LEDGER noted some days ago, Editor Altmeyer of The Bulletin is on his initial trip to the East.

Making the trip for pleasure, John left his better half at home.

Wireless messages from Washington report him "having the time of his life," and he went all the gouts in Philadelphia.

But when he hit Broadway in Manhattan town it took all the breath he had to spare; and then for the first time he could appreciate Martin O'Hare's stunt.

Some years ago Pat Murphy, Mike McCarthy—now John's wicked partner—and Martin O'Hare struck the big town, and after "doing" Coney Island, climbing the statue of Liberty, surveying the Bowery and making an inventory of Chatham street, they bumped into the real goods—Broadway.

It was a bewildering sensation, and Martin was first to regain enough emposure to speak: "Say, Mike, there must be a circus in town!" said he.

Mike agreed with him, and so must John.

## DEMOCRATIC CONVENTION

Yesterday's Assemblage Was a Perfect Love Feast Sure

The Mason County Democratic Mass Convention was held in the Courthouse yesterday afternoon at the appointed hour.

Owing to the absence of James R. Roherson, Chairman of the County Executive Committee, County Attorney Thomas D. Slattery presided as Temporary Chairman, and in a terse manner stated the object for which the meeting had assembled.

The temporary organization, with Gordon Sleser as Secretary, was made permanent.

On motion of Representative Virgil McKnight, seconded by Police Judge John L. Whitaker, a Committee of five was appointed to select delegates for the Congressional Convention, which meets in the same place tomorrow.

The Committee, headed by McKnight, marched down the aisle with solemn mien, retiring to the vestibule of the Courtroom, where they remained long enough to turn around, and in Indian file marched back again, presenting the Secretary with a list of names as long as the moral law, which required ten minutes to read.

It was also recorded that if the name of any Democrat in the county had been omitted, it was not intentional—owing to the very limited time the Committee was allowed in arranging the list, it is likely one or two escaped their memory—and that all Democrats are declared delegates.

It was the sense of the Convention that the delegates meet this morning in the office of Squire J. O. Pickrell and map out a concerted action for tomorrow's fray.

The delegates go uninstructed, but are to vote as a unit.

Though few in numbers the Convention was made up of representative citizens, office-holders and those who want office.

The proceedings were short and sweet and done up in jig time.

There is an old saying which has obtained credit by long use that a calm always precedes a storm, and as yesterday's doings is as a side show to the main circus, the Convention tomorrow will be a three-ring affair with clowns and monkey jacks galore.

WASN'T it Colonel MATTHEW, the oddtime author, who worked off the gag, "No man can serve two masters?"

CINCINNATI, with her old water service crippled by the political jugglers, is experiencing some of the advantages of Municipal Ownership; and she is paying something like \$10,000,000 for a new plant that could be built by a private corporation for \$6,000,000 at most.

THE fool newspapers are making much ado over the fact that Mrs. GROVER CLEVELAND walked up Mount Washington, N. H., a few days ago. If a good, honest working girl had done this simple feet, even carrying her father's dinner-basket on her arm, the slobbering snobs wouldn't have said a word about it.

AT Chicago the Postoffice Clerks have formed themselves into the National Federation of Post-office Clerks; and it is said that SAMUEL GOMERS of the Federation of Labor hopes to employ the new Union to further his plan to force Congressmen into line for labor legislation. How would you like to be a Congressman?

THE removal of Mr. JAMES ALLISON, Superintendent of the Cincinnati House of Refuge, by the "reform" Democratic hypocrites, for political purposes only, is likely to prove of benefit to the removed and dismay to the removers. He is suggested for the office of County Clerk, and there are thousands of honest Democrats who will join the Republicans in electing him.

TRAXEL'S

WONDER how much longer the people of Kentucky will pay Judge CARROLL \$5,000 a year for doing the work that Judge CANTRILL is paid \$5,000 a year for not doing?

WHAT a pity the new spelling fad didn't break out ahead of the Russo-Japanese scrapin' match. Just think what tons of ink might have been saved in writing and printing those Russian nameskis.

It is reported in Lexington that if the joint debate between Governor BECKHAM and Senator McCRAEY takes an acrimonious turn the Democratic State Committee may adopt a resolution similar to the one which suddenly put an end to the debate arranged between Judge CANTRILL, DAVID H. SMITH and CHARLES K. WHEELER three years ago. These gentlemen had their first debate at Maysville, and it was so apparent that the candidates were injuring the Democratic party that a resolution was adopted advising them to hold no more debates, and no more were held. It was on this occasion that Judge Cantrill delivered himself of this remarkable statement—

"If it had not been for my decisions from the Bench, there would not be a Democrat in office at Frankfort today."

No wonder the Democratic Committee got scared and called Cantrill off!

MARK REMEMBERS ANOTHER ONE.

The reappearance of the card sharp on the Atlantic liners, together with the fabulous losses imputed to several young millionaires, reminded Mark Twain the other day of an ante-bellum happening.

"When I was a Pilot on the Mississippi," he said, "I saw one night a handsome black boy standing alone in the stern, looking disconsolately at the dark and lonely river. He was, of course, a slave.

"Hello," said I; "who do you belong to, anyway?"

"I do belong to Massa Carroll, sah, when I come aboard," said the boy; "but he's been in the cabin playin' poker wid de Captain over an hour, an' I dunno who I belongs to now."

AMERICAN WOMEN FIND RELIEF  
The Case of Miss Irene Crosby Is One  
of Thousands of Cures made by Lydia  
E. Pinkham's Vegetable Compound.

How many women realize that it is not the plan of nature that women should suffer so severely.

Thousands of American women, however, have found relief from all monthly suffering by taking Lydia E. Pinkham's Vegetable Compound, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robes these periods of their terrors.

Miss Irene Crosby, of 313 Charlton Street, East Savannah, Ga., writes:

"Lydia E. Pinkham's Vegetable Compound is a true friend to woman. It has been of great benefit to me, curing me of irregular and painful periods when everything else had failed, and I gladly recommend it to other suffering women."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising women free of charge. Thousands have been cured by so doing.

A Lot of Suckers Taken In By the Wily Grafters

Screamed with Pain—Suffering Nearly Broke Parent's Heart—Twelve Years of Misery—Doctor Called Case Incurable—Helped from First, and

SPEEDILY CURED BY CUTICURA REMEDIES

"I wish to inform you that your wonderful Cuticura has put a stop to twelve years of misery I passed with

my son. As an infant I noticed on his body a red spot and treated same with different remedies for about five years, but when the spot began to get larger I put him under the care of doctors. Under

their treatment the disease spread to four different parts of his body. The longer the doctors treated him the worse it grew. During the day it would get rough and form like scales. At night it would be cracked, inflamed, and badly swollen, with terrible burning and itching. When I think of his suffering, it nearly breaks my heart. His screams could be heard down stairs. The suffering of my son made me full of misery. I had no ambition to work, to eat, nor could I sleep.

"One doctor told me that my son's eczema was incurable and gave it up for a bad job. One evening I saw an article in the paper about the wonderful Cuticura and decided to give it a trial.

"I tell you that Cuticura Ointment is worth its weight in gold; and when I had used the first box of Ointment there was a great improvement, and by the time I had used the second set of Cuticura Soap, Ointment, and Resolvent my child was cured. He is now twelve years old, and his skin is as fine and smooth as silk. (Signed) Michael Steinman, 7 Summer Avenue, Brooklyn, N. Y., April 16, 1905."

Complete External and Internal Treatment for every Humor, from Pimples to Scrofula, Ulcers, Intancy & Age, etc., including the Cuticura Soap, Resolvent, Soap, (In form of Chocolate Coated Pills, 25c, per box of 60), may be had of all druggists. ## FEARIS.

Rains held up during reunion and basket meeting.

Miss Etta Glaze of Dayton, O., returned home Tuesday, after a pleasant visit to relatives here.

Comrade Davis, you missed a patriotic reunion and a chance to tell us your views of patriotism.

R. C. McNeil, J. H. Bryant and W. H. Garrett of Manchester were registered old vets at the reunion.

Charles Hise and wife of Portsmouth, after attending the funeral of Mrs. Kornard, left Saturday for Maysville to visit their daughter, Mrs. Hunt.

Thomas Sullivan and sister, Mrs. Victor, and others of Cincinnati were visitors to William and John Sullivan and attended the reunion and basket meeting.

Died, Thursday at 6 p. m., Mrs. Mary Keneddy, after a lingering illness with some kind of tumor. The remains were interred in the East Fork Cemetery Friday afternoon. Mrs. K. was a kindhearted mother and raised a large family of boys and girls, several of whom have predeceased her to the beyond. She leaves a husband, two sons and a daughter to mourn her loss.

During a sham battle at Henderson between battalions of the Third Kentucky Infantry two soldiers were hurt and one was overcome by the heat. The soldier boys fought with too great earnestness, and several heads were cracked. One man's thumb was almost cut off with a bayonet. The Regiment broke camp last night.

The committee from Louisville which went to New York to try to secure for Louisville the next Democratic National Convention yesterday met twenty-five members of the committee, all of whom favored the Kentucky city. A meeting with the full National Committee will be held today. The Louisville men say they have the convention "cinched," and are jubilant over their success.

Despite the surrender of several of the insurgent leaders in Cuba, the situation is still serious, and the revolutionary sentiment is said to be daily becoming stronger in the provinces of Havana, Pinar del Rio and Santa Clara. The insurgents are said to be making progress in Santiago, also. These manifestations are causing grave doubts of the ability of President Palma's government to deal promptly and successfully with the movement. The officials, however, express confidence that matters will become quiet after a few heavy blows are dealt the rebels.
